## The Centre for Responsible Leadership in partnership with the GTZ

will host the first International Conference in Responsible Leadership  
at the University of Pretoria, Hatfield Campus, South Africa

**18 – 20 May 2010**

**“Developing the next generation responsible leaders”**

### Sub-themes include:

1. Leadership and ethics
2. Leadership and the environment
3. Leadership and governance
4. Leadership and society

Keynote addresses will be given by numerous international scholars in areas such as leaders as agents of world benefit, leaders as the ultimate custodians of a sustainable planet and leadership accountability and governance.

The conference will include full length papers, workshops, poster presentations, case studies and a PhD colloquium.

### Prof Derick de Jongh

Director: Centre for Responsible Leadership, University of Pretoria
