

# Addressing the problem

- Oxfam advocates that
- ✓ Wealthy individuals and companies do not dodge taxes
  - ✓ They support progressive taxation
  - ✓ They challenge governments to use their tax revenues to provide healthcare, education and social protection for its citizens.

Feuntes-Nieva, R. & Galasso, N. 2014. *Working for the Few: Political capture and economic inequality*, Oxfam Briefing Paper. Oxfam, 178, 20 January.
